Run 1946 – Juggies Jaunt Just near the cinemas

Holy Moly – who would have thought to ask me to do this, I forgot last time so to prevent any chance of a charge, here I am working in to the wee hours of the night, I hope you lot are grateful.....

Around 20 or so keen as mustard Hashers joined in for the nights run, around the city of Cairns. The birthday boy set a good run our vast city, the arrows were enough for the walkers at least to keep together but not to find the drink stop!! After an hour or so of wondering around, we headed back to the circle. So just for once, we didn't get a history lesson about the year that we were running – but just for the record, January 26 was renamed from Foundation Day to Australia Day – well I found this interesting.....

So back to the circle, when it was called the run report was given by Pythag who gave Juggie an unusually high score of 8/10 – after discussion with the pack the score was reduced to 6/10. Well done Juggie!!!

Before being able to go and attend to dinner, Juggie was given a down down for his 63rd Birthday and also presented with a Certificate of Appreciation and a bottle of wine to say thank you to Jughead for his contribution to the club over the years, not only has he done 1218 runs but he has held many roles on the committee – thanks Juggie!!!

Charges were given to our return runners and Virgins - Metro and Kathy and Richard from Liverpool. We weren't able to give out shirts as the last recipients were Tee Pee and another Hasher whose name escapes me – hopefully they will return soon with the shirts in hand.

Waffles were won by Moana and Modnoc.

Helmet and Prickle were charged for having done 50 runs and Pecker for 69 runs – well done youse guys. GM called for charges from the run, Dunno was charged straight away for having a Birthday and this was quickly followed up by DV8 with a joint charge to Snyce and Dunno for stalking her on Saturday night. Moana was charged for running in to a bike, T-Rex for no hash attire, Tiny Tool for front running, 49er for knocking Moana off his bike, Flatulence for

being overcaring to the Walkers, Richard and Kathy for making Pythags life difficult on Census night and Metro just because.....

HASH HISTORY

The philosophy of the original Hash House Harriers from the 1938 charter:

- To promote physical fitness among our members
- To get rid of weekend hangovers
- To acquire a good thirst and to satisfy it in beer
- To persuade the older members that they are not as old as they feel.

The hunting of deer, hares & foxes using hounds or beagles goes far back into British history. As does the game of hare & hounds or cross-country racing, when two runners (the 'hares') layed a paper trail which was followed by their fellow runners (the 'hounds'). It was known as "hare & hounds", "paper hunting", "paper-chasing", "coursing", "fox-hunting", "beagling", "cross-country running" or "harriers".

Words Women Use

- 1.) *Fine*: This is the word women use to end an argument when they are right and you need to shut up.
- 2.) *Five Minutes*: If she is getting dressed, this means a half an hour. Five minutes is only five minutes if you have just been given five more minutes to watch the footy before helping around the house.
- 3.) *Nothing*: This is the calm before the storm. This means something, and you should be on your toes. Arguments that begin with *nothing* usually end in *fine*.
- 4.) *Go Ahead*: This is a dare, not permission. Don't Do It!
- 5.) *Loud Sigh*: This is not actually a word, but is a non-verbal statement often misunderstood by men. A *loud sigh* means she thinks you are an idiot and wonders why she is wasting her time standing here and arguing with you about *nothing*. (Refer back to #3 for the meaning of *nothing*.)
