Run 1947 – Stokers Wet but Wonderful Wander through Twinity

For those who didn't turn up on Tuesday night because of the weather may I advise that you missed out on a dry run and fabulous and plentiful food. Amongst those who turned up were two of the most important, yes let me confirm that, two most important harriettes – SNICE and MODNOC – definitely not girls like the rest of you - who were not scared of the rain, - probably more scared they wouldn't get a feed at home that night.

Attendees were SNICE, MODNOC, PECKER, TINY TOOL, DUNNO, KNEE TREMBLER, MONA, NICOTINE, PYTHAGORARSE, WAIT A WHILE and FLATULENCE. If I missed anyone out if meant you weren't loud enough !!

Run was still amazingly marked in some places but MONA led the way for the walkers anyhow around the backstreets of Trinity and NICOTINE managed to get lost (so they tell us). It drizzled for 10 minutes but the rain kept at bay as usual for our run – there is definitely a Hash God out there!

WAIT A WHILE complained throughout the run he was losing his figure and MOANA griped about getting his figure back with joining a rowing group, largely comprised of women who he said were "so tiny they had to sit in the middle of the boat" and after the row going to a local café for a huge breakfast.

DRINK STOP was in one of the parks the Council is spending way too much money on – why do the Trinity brats need lily ponds, covered bbq areas and a great skating area ?? But STROKER tells us they need it for his grandkids !!

FLATULENCE stood in for the GM so he could get his own back on STROKER who lapped up the compliments of a great run with a 2/10 I believe, however, that score may have changed – I certainly wasn't concentrating on the circle.

Everyone got multiple down downs for being visitors even if they'd only missed a week and for giving cheek to the GM – didn't write any of the down

downs down (get it?) - as I don't think it makes for newsworthy reading.

Suffice to say a great walk and night thanks to STROKER and my piece of advice is – unless the run is set at mosquito ridden Holloways by FLATULENCE—turn up anyhow – the skies will clear !!!

A teacher asks the class to name things that end with 'tor' that eat things.

1st little boy says, "Alligator."

"Very good, that's a big word."

2nd boy says, "Predator."

"Yes, that's another big word."

3rd boy says, "Vibrator, Miss."

After nearly falling off her chair, she says, "That's a big word, but it doesn't eat anything."

"Well my sister has one and she says it eats f*****g batteries !"

Words Women Use ... Part 2

6.) **That's Okay:** This is one of the most dangerous statements a woman can make to a man. That's okay means she wants to think long and hard before deciding how and when you will pay for your mistake.

7.) **Thanks:** A woman is thanking you, do not question, or Faint. Just say "No Worries" or some other Blokey thing – AND MOVE ON.

8.) **Whatever:** Is a woman's way of saying F@!K YOU!

9.) **Don't worry about it, ... I'll do it:** Another dangerous statement, meaning this is something that a woman has told a man to do several times, but is now doing it herself. This will later result in a man asking "What's wrong?" For the woman's response refer to "**nothing**" - This is the calm before the storm. This means something, and you should be on your toes. Arguments that begin with **nothing** usually end in **fine** ... and that's what you don't want to hear!
