## Run 1948 – Peckers Knob Trek, Tuesday 23/08/16

14 Loyal Hashers turned up for what was to be a beachy road and bush run through the sleepy hollow suburb of Yorkeys Knob.

The Hare gave us the lowdown of the Trail indicating Checks and a Drink Stop. We all headed a long a well marked Trail around the streets past the 'Knob' (Which the Harriettes were'nt to happy about!) then winding through the side streets back along a trail adjacent to the Beach to a well deserved Drink Stop (Which I failed to make) but lo and behold—the Hare forgot the cups, so I'm told they all took turns drinking from the bottle like milk thirsty calves sucking on a heffers tit. From there they all ambled their way back home to the Keg.

Back at home we were welcomed with nibblies and pre-circle drinks. The usual jibberish ensued and mysteriously sister 'Extractit' parted prior to the Circle. Anyway, our illustrious GM called the circle and attempted to give a speil on the inventions of 1948 which fell of deaf ears of the jibbering hashers .

The Run Report was given by brother Nico with a long winded story of how he had to give up sitting on his arse at home all day to attend Hash yet gave a high Score of 5 out of 10.

We had a couple of Returned Runners: Mary and Pisspot.

**Raffles:** Won by Layback(Moi!).

**Charges:** There were numerous charges as I remember: Tiny Tool, Modnoc, Snyce, Nico, Mary and Pisspot for whatever trumped up reasons which I'm sure they all rightly deserved.

Nosh was a nice cold meat spread of Ham and Chicken on Bread or Bread Rolls with coldslaw and potatoe salad which was hoovered by the hungry pack

### The rules of bedroom golf

1. Each player shall furnish his own equipment for play -- normally one club and two balls.
2. Play on a course must be approved by the owner of the hole.
3. Unlike outdoor golf, the object is to get the club in the hole and keep the balls out of the hole.
4. For most effective play, the club should have a firm shaft. Course owners are permitted to check shaft stiffness before play begins.
5. Course owners reserve the right to restrict the length of the club to avoid damage to the hole.
6. The object of the game is to take as many strokes as necessary until the course owner is satisfied that the play is complete. Failure to do so may result in being denied permission to play the course again.
7. It is considered bad form to begin playing the hole immediately upon arrival at the course. The experienced player will normally take time to admire the entire course, with special attention to well formed bunkers.
8. Players are cautioned not to mention other courses they have play on or are currently playing to the owner of the course being played. Upset course owners have been known to damage a player's equipment for this reason.
9. Players should assure themselves that their match has been properly scheduled, particularly when a new course is being played on for the first time. Previous players have been known to become irate if they discover someone else playing what

they consider to be a private course.

10. Players should not assume a course is in shape for play at all times. Some players may be embarrassed if they find the course to be temporarily under repair. Players are advised to be extremely tactful in this situation. More advanced players will find alternate means of play when this is the case.

11. It is considered outstanding performance, time permitting, to play the same hole several times in one match.

12. The course owner will be the sole judge of who is the best player.

### HASH HISTORY\*\*\*

The Hash House Harriers is a more social version of Hare and Hounds, where you join the pack of hounds (runners) to chase down the trail set by the hare or hares (other runners), then gather together for a little social activity known as the On In or Down Down. In most groups, all are welcome, young and old, fast or slow. The only prerequisite to hashing is a sense of humour.
