## Run 1949 – Tri-Hash-alon set by Moana, 49er & Stroker

Moana is listed to take the credit for this run but in fact three Hashers contributed to its success, Moana, 49er & Stroker—which by the misbehaviour or misfortune of their then young and devious parents — all found them self's being born in the year 1949 and so figured that they should all have a hand in this run 1949 (I can't wait till run 1982 so I can set a run).

Moana & Stroker took credit for setting the run even the bit that went through a Park (cemetery) that closes at 6pm and locked its gates, so the trail ended at the cemetery gates (as it does for all people) (*This is a bit deep for hash notes ... Ed*) but was found again on the far side (this is sounding a bit religious or just spooky) and carried on to a Chinese take away where the drink stop was held then on home.

49er put on a fondue (hot cheese on a stick) for post run nibbles (yes nice), Moana also put on nosh and Stroker ate it (what a team), all this hard work earned them a point each with 3 out of 10 been awarded by Flatulence.

There were some hashers that specially attended this gathering after a short absence, Pylon, Wait A While & Royal T who all received a down down as returned runners/Walkers.

Raffle was won by Nico, (now how does this work, he sells the tickets, he writes the tickets up & he wins the prize, ya sound fair). Charges, Nico for the raffle debacle, Modnoc for braking into next door at run finish, Royal T for chatting up young chicky babes, Pythagorarse, DV8 then the call went out "One Hasher Drinks All Hashers Drink" so one social out-cast (*I was that Outcast ... and I have feelings too! ... Ed*) was left holding the camera while we all drank the keg dry.

A Report from the Harriet's weekend at Mission Beach was presented, I think the gist of it went There was no internet access so they had to go shopping the old fashion way.

Yes another great night.
