## Run 1954 – Wanker’s wobble-thru ways

No notes ... so your are relying on the unreliable recall of the scribe. There was joy in the air as we left from inner-city Cairns after Jughead delivered a few hazy instructions and sent us off.

Some running through town and then after scaring a few urban-types and tourists we sauntered past Central and Flatulence gave us a debrief on the good old days when he owned a place in the city. ... after a couple of yawns we moved on and across Mulgrave Rd into Westcourt. There were some cunning U-trails for the runners and plenty of false work to keep the pack together. Eventually we came to a Drinkstop near the school and Juggy then set us up on a further couple of cruel loops ... the trail then became a little hazy and some sweet Virgin Trail went through Monroe Martin Park ... but most hashers were off the smell by then and shortcutted home.

We had a couple of quiet ones in the Car Park until the GM took charge and reeled off a few charges. Dunno let us have an Esky for upstairs but went Postal about How Coles was going broke because people were pinching their trolleys... Some songs were had ... Slag, Bouncer and Spock were acknowledged as returnees and Visitor Cowboy from Townsville was up here on his yearly sojourn ... Virgin Moira was welcomed ... Modnoc thought it was a good idea to give Moira the Tool Shirt ... at least it smelt nice!

The Beautiful Pool area of Wanker’s was a relief and some hashers cooled down with a swim ( it wasn’t the first time that turds had been in that pool ... but I didn’t tell them!) Some great homemade dips were served by Wanker and then a boiled sausage casserole ... now I know that Nosh at Hash is a real privilege ... but If I ever see another boiled sausage ... it will be too soon!

A great night and great thanks to the Hares, GM and Keg
