Run 1957 – Gangbang and Pythagorarse’s Birthyear Pillage

Hares were Gang Bang and Pythagorarse with the run set from The Pirate Ship opposite the Wiggles/Gang Bang abode. The pack set off along the Scenic Esplanade heading for town only to be turned away down to the back streets of the Nard. We zigged and zagged through the little known parks and side streets past the Cock N Bull hash house and down through the virgin territory of the re-vamped Munroe Martin Park and on to the drink stop.

This was held on the top floor “ FLOOR 13 “ of the Wanker/Jughead/Pythagorarse unit complex with a magnificent view over Cairns. All the pack made the drink stop although the two invalids, Modnock and Not Yet along with their escort, DV8 who were the tail end Charlie's were left with the dilemma of how to get in to the complex until the ever thoughtful Pythagorarse came to the rescue.

After a lot of oohing and arrahing at the view and scoffing all the mini spring rolls the pack reluctantly headed for home. Back at the keg the hares were given a high score of 6/10 for there efforts.

There were frivolous charges to various hashers but by that stage the fog had settled on the brain. Dunno was charged because ... we Dunno where he was! Tiny Tool charged for not doing the run, the visitors Play School and Durex from Top end Hash, and Allan from Beer n Beef club.

The jokes were shocking and one could tell that Gang Bang got his from the Beer n Beef that they attended earlier in the day. A Banner that was stolen from Hamersley Hash was presented for all to sign and is off to Asia for more signatures and to be presented at next years Nash Hash.

Nosh was an excellent mild curry chicken vegie or beef vindaloo with claggy rice. It filled the spot very nicely. Prizes were won by Allen the visitor and someone else. The keg stayed open as the old keg master “Jughead” was at the reins and did not have

far to go home. All in all a good town run, top nosh, good company. Hashing at it's best.

On On, Not Yet

RUN 1957... it was an event!(Thanks Pylon)

I took my dad to the shops the other day to buy some new shoes. We decided to grab a bite at the food court. I noticed he was watching a teenager sitting next to him. The teenager had spiked hair in all different colours: green, red, orange, and blue. My dad kept staring at him. The teenager would look and find him staring every time. When the teenager had enough, he sarcastically asked: 'What's the matter old man, never done anything wild in your life?' Knowing my Dad, I quickly swallowed my food so that I would not choke on his response; knowing he would have a good one. And in classic style he did not bat an eye in his response: 'Got stoned once and shagged a peacock. I was just wondering if you were my son.' .
