## Run 1958 – MOFO's Middle-Class Meander

MMMM ... No Notes ... What should I do ... Recall ... that's it ... Recall!

A beautiful night on the coastal fringe ... MOFO did the impossible ... Tried to teach hashers about chalk marks .. And make a suburban run fresh ... and exciting! Centaur Park was familiar territory for the Trinity Hash Power Couple and there were a few well trodden themes down into the freshly minted ground of Trinity Park suburbia ... The trail was well marked and the inspiration was the convoluted path that the MOFO-mind constructed that had the running pack of MOLE, FLATTY, SNYCE, PYTHAG (with some half running by LAYBACK & DUNNO & PECKER) turning inside itself like a bag of snakes. The constant clashes with the walkers was the hallmark of the well made trail. .. FLATULENCE gave the run a 3 which seemed typically random enough.

We lost trail a couple of times due (mostly due to PYTHAG's ineptitude) and after a DRINKSTOP admiring a piece of civil engineering, we arrived snorting at the trough as savoury snacks were inhaled to balance the liquid intake.

Charges went to travelling Pommy Bastard KALCULATOR, and MOLE for frontrunning and showing us up, and PECKER for committing the basic error of not running with the shirt, and FLATTY for something, And MODDY for being helpless ... and heaps of others!

MOANA gave a MACKAY Celebration run report and it sounded pretty good. ROYAL T came through with a joke which was a great contrast to MOANA who had trouble coming through with a joke.

NOSH .... Did I Mention NOSH! A superlative effort from PYLON in making savoury fish titbits ( and the other bits!), a sweet potato cheese bake and acres of tasty coleslaw that was dressed to perfection ... my vote for nosh of the year!
