

Run 1961 – Tiny Tool - Tool Off - Peter Pecker Style

At the Scribe's age, it is best to eat the desert first, just in case....

When they heard the front door slam, she said' "Quick, that must be my husband come home early! ". So he jumped out of the window, found himself in a park, and joined a group of early morning joggers. After a couple of blocks, he relaxed and knew that he had escaped, but the jogger next to him said, "Do you always jog in the nude?". "Yes, cos it makes me feel so free and invigorated". "Why do you wear a condom?". " It was raining when I left".

And that is the way it went for a couple of hours of puerile fun on the back porch of Tiny's house. Stroker was GM and told us about all the late and greats that were born in 1961. Juggie gave the run report and said it was the worst drink stop he had ever had, but still gave it 5/10. Moana, who doesn't do Hash, wore the Tool of the Week tee shirt on the run, even though it says, amongst other things, "Never give Up", and gave it to Tiny for his excellent Drink Stop. DV8 won a bottle of wine in the raffle and wanted to know which variety the white wine was – chardonnay, sauvignon, riesling, pinot noir? , but settled for white plonk. Royal T was happy with any wine just so long as it was red.

Not Yet gave a report on the Cairns Hash weekend run at Little Mulgrave, and told us all about the bunk-house, showers, river, ute-ride, run, chair-throwing-contest. The high light for Not Yet was when he stood above Kotie trying to get her to enter the nude run, but she said she couldn't see anything anyway and went back to sleep.

Tiny Tool was charged for the drink-stop; Moana for giving away the keys to his bike-lock; Pecker for the check after check after check on the run; Spock/ Bouncer for going off again, and how many "Piss-up Piss-offs" did they expect to get?; Royal T for making a cake but forgot about it. [It is still in the frig at Tiny's place]; DV8 for something about happy; Alan for "Who the Fu*k is Alan?"; Siri for saying she knew what the "W" and "R" markings on the run meant, but what did "C" mean?. There must have

been a dozen more, as there were only 2 left to sing the song.

The jokes came thick and fast from Alan [catch my eye], Spock [pardon for Hillary], Stroker [head/no head], Royal T [above]; Moana [Shih Tzu and Bra] The food was great as usual, and the remains of the cake is still in the frig.

... On On, ROYAL T
