Run 1965 – 2016 Christmas Fun — Trinity Style — It was so City!

- Great rollup at Crown Hotel early for some pre-run drinking
- The weather was kind and the company good and some nice caring people making sure all would have a merry Christmas and not be orphaned and alone. You know who you are!
- A cityscape run and everyone seemed a bit batty hitting the streets in some fine Christmas costumes (probably because there was a lot of bats present in the trees and streets)
- Noticed Jughead helping female backpackers in short shorts find their way and should have been nominated for a community service award.
- There was a tree full of ripe tamarinds for those that like them
- A salubrious drink stop at Wankers. I'm amazed how the food disappeared — no wonder the down lifts could only take 6 people while it was 7 upwards??
- Helmet and Prickle won the best dressed Santas. I thought Wanker and Jughead should have won so it was rigged.
- 10/10 for the run was awarded -they must have been pissed and confused.
- Pub food was OK but not as good as the home cooked we normally have. Broccoli soup was a standout, lamb shanks were tasty and seafood no comment.
- Amusing images from the pissoir at Le Hotel Crown. A toothy smiling Dunno was observed (above chest only) looking out an open window of the pissoir at some elegantly dining Harriettes. The curious ladies were actually wondering if he was using one hand or two. Will they ever know the truth?
- Lastly, a CHERRY MRISTMAS TO ALL. This is what happens when you get your mords wixed because you drink too much C2H5OH (ethyl alcohol).

Ahh 2016 CHRISTMAS ... SO MUCH FUN IN JUST ONE NIGHT
