## Run 1969 – Madam Slash’s Slushfest!

... mmm ...notes failed to materialise ... lucky the scribe has a leaky brain that remembers only his version of the facts ... It was an ominous start with rain threatening and Trinity has had made the big mistake of not including the Religious Advisor on the run ... Naturally, Huey sent it down.

Madam Slash was well ahead of the game and gave us a series of photos of Cairns Landmarks to follow. Sadly, there was no proposed drinkstop ... and the seasoned hashers sensed that there might be a little shortcutting on the cards....

We slogged off into the rain over the highway, and then the Tourist Park in Anderson St, past the Council depot in Martyn St and then on to Nonroe Martyn Park, The maps were getting soggy then and the runners made it to the Night Markets before shortcutting to the Esplanade and then On Home. A few intrepid walkers did the full Monty to the Cruise Terminal .. Honourable Hashers!

We came in dribs and drabs towards home to a most excellent spread of Pre-Nosh by Madam Slash. There were some notable visitors including SLAG, MASTERBATES. MOLE and WEED, SPREADEM ... and a glamorous new Harriette called SWANKER.

The GM eventually returned and called a circle ... It gets a bit hazy here and MOFO gave a good score for the run... I think! Pythagorase offered the shirt to many ... but the successful candidate was MOANA for getting rid of Castro. There was the smell of Poo-Sticks in the air ... fine Cuban Ones at that ... with Big Bang being the guilty party ... but as he was acting as the Hash Keg ... couldn't be punished too severely

The GM appealed to all fine Trinity members to support the club through setting runs and importantly to volunteer for committee as we approach the AGPU. Top Nosh ...Great Night ... Thanks M. SLASH

**Run 1969...It was again WET ... but Captain POOSTICK prevails!**

A guy walks into the psychiatrist wearing only Clingfilm for shorts. The shrink says, 'Well, I can clearly see you're nuts.'

I went to buy some camouflage trousers the other day – but I couldn't find any.

My friend drowned in a bowl of muesli. A strong currant pulled him in.

A man came round in hospital after a serious accident.. He shouted, 'Doctor, doctor, I can't feel my legs!' The doctor replied, 'I know you can't, I've cut your arms off'.

I went to a seafood disco last week.and pulled a muscle.

Two Eskimos sitting in a kayak were chilly.. They lit a fire in the craft, it sank, proving once and for all that you can't have your kayak and heat it.

Our ice cream man was found lying on the floor of his van covered with hundreds and thousands. Police say that he topped himself.

Man goes to the doctor, with a strawberry growing out of his head. Doc says 'I'll give you some cream to put on it.'

'Doc I can't stop singing 'The Green, Green Grass of Home' 'That sounds like Tom Jones syndrome.' ... 'Is it common?' ... 'It's not unusual.'
