Run 1971 — Moana's North Cairns Canter

Again no notes emerged from the murky sea of Trinity hashers— Please try to get them to the poor scribe by FRI-DAY...

My motley recollections will have to suffice ... Thankfully, Pylon has supplied some wonderful images of proceedings.

A good pack assembled at Moana's Seaside Palace to be sent off north ... past Tobruk Pool and then a classic loop from the old master along the Cook Highway. The pack regrouped near Centeneray Gardens and the runners and walkers split. A Drink stop ... then return to the palace.

The circle was held at the jetty and managed to scare of any fish and fishermen. through and the hare was rewarded with a score of 5 ...I think ... Returned runners were welcomed, including LESS ON, MASTER BATES (Sharing a rare birthyear run ?), HELMET, some GANGBANG Lations and FIDDLER.

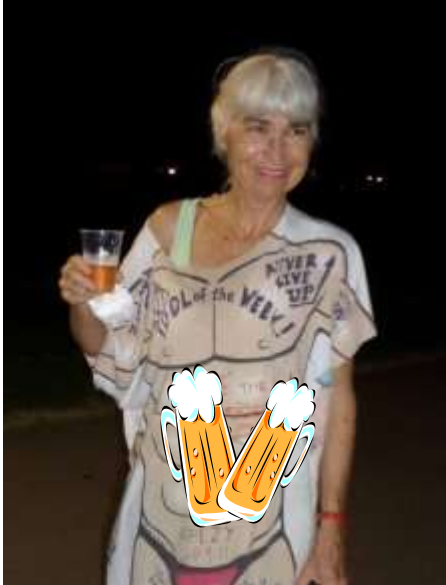

Tool of the week was passed from BIG BANG to SIRI to give her some hash attire ... some jokes ... and then a standout

poolside nosh from MOANA—who will be known as the SALAD KING ... no ... MOANA is better.

Top night, Top nosh, thanks to the hare, GM and KEG
