Run 1974 — Michiko Okuyama Memorial Run

The pack gathered on a very hot afternoon at Michiko's memorial garden. She was only 21 when she was tragically murdered – almost 20 years ago.

The pack focused and the hare sent them off towards Munro Martin park, The running pack bravely and singularly led by visitor COUGAR BAIT did a tour Of Bungalow and the walkers cut back into the city and thru the Nightmarkets and onto the 'nard for a drinkstop on the pier. The drinkstop was a classic "False trail" drinkstop - but it was the coolest place in Cairn and no one complained about the extra walk.

A few drinks at Michiko's garden supplied by the reliable JUGHEAD got the pack in the mood and the stand-in GM GANGBANG whipped the crowd into a frenzy. The run scored highly then the scribe blanked out in some sort of Euphoria, There were some charges - but I was busy and didn't note them.

Michiko wasn't a hasher but by all reports a lovely person, we like to think that she could have been a hasher - and we would have been honoured to have her run with us. Great crowd, a small pack of about 15, Top Nosh (shameless self-congratulation) and a top Night!

- **Jesus fed 5,000 people with two fishes and a loaf of bread. That's not a miracle. That's tapas.**
- **He said 'I'm going to chop off the bottom of one of your trouser legs and put it in a library.' I thought 'That's a turn-up for the books.'**
- **British scientists have demonstrated that cigarettes can harm your children. Fair enough, use an ashtray.**
- **Standing in the park, I was wondering why a Frisbee gets larger the closer it gets. Then it hit me.**
- **I was watching the London Marathon and saw one runner dressed as a chicken and another runner dressed as an egg. I thought: 'This could be interesting'.**

- **I got an odd-job man in. He was useless. Gave him a list of eight things to do and he only did**

I miss you even when I'm not horny.
