## Cyclone Debbie dogging run 1980

Run 1980 Tuesday 28th of March

On this hot and humid night the small and eager pack gathered at AC/DC's abode. AC/DC welcomed back to the fold after a period of absence. It was a hot and steamy night in Whitfield. At least we managed to dodge the Cyclone that was currently raging through most of QLD.

DV8 was not having a good night and could not remember the name of some hashers and was charged in the circle. She took it in good spirit.

Run started on time which makes a change.

The Grand Master was absent so we were sent on our way by Stroker. I was given to understand that Big Bang did a bit of a pirouette at the start of the run and had a shoe blow out. Shame I missed it. Lesson gave a quick description of the run. Marked well and set on new territory. Lots of checks good refreshing drink stop. Charges were made for those not

willing to jump in the crock invested waters, namely Jug head.

A few returnees AC/DC, Prickle Magnet, Helmet and Metro. Metro was stuck up here in Cairns due to the Cyclone poor fellow, I can think of worse places to be stuck. He must have been in shock as he couldn't even remember the start time of the run and arrived at 6.30 after everyone had left for the run.

Extractit was picked up by Royal T and 49er to attend the run. They seemed to have got lost on the way to the host's home. I think it's this way dear, or is it that way dear. They managed to eventually find the run.

Royal T has now done 100 runs. Well done Royal T. I don't know how many of those he's actual run but at least he turns up J

Great nosh as always.

Next week's run is from Bunnings car park hosted by Jug Head. Bring a chair

Don't forget our celebration 2000 run. Mark it in your diary for August 25th/27th.
