Bunnings has gone?!?!-\$#!T Run1981

A goodly bunch of Hashers gathered under heavy skies at the old Bunnings Store in Spence Street, upsetting a transient 4WD squatter who drove off into the sunset.

It was Juggie's Run, which went off along the old railway line. We were graced by the presence of our Grand Mattress, Flatulence, who had to reintroduce himself again after a long absence. He struggled to gain control, and probably never did, but he looked happy and rested if not a bit frazzled.

RUN REPORT. Stroker gave the Run Report amid much shouting and complaining about hearing the *Complete History of The Queensland Railways* from Gang-bang along the way. There wasn't a dry eye in the house, nor dry clothes in the house, when he gave a score of 4/10.

VISITORS; Flatulence visited us again, Nico told us all about Egyptian dates, Mistress looked smart in her running gear, and Extractits was given due homage as the Cairns Hash Grand Mattress.

SHIRT: A small miracle was witnessed when Helmet returned a Hashshirt. Someone said he had taken to wearing it as a nightshirt, hence the long delay, a charge he strenuously denied, saying, like Marilyn Monroe, he only slept in Chanel 5. He gave the shirt to 49er because she

had said it wasn't going to rain. The God of Rain heard her and pissed it down.

RAFFLE: Modnoc ran the raffle, and guess what, Nico pulled out his own number. This was challenged as Nico had signed Flatulence's book with a cross, not a name, so they said it went to the wrong person.

CHARGES: 49er charged Modnoc for being complicated but was given no right of reply; Mofo charged Nico for impersonating Nico. Helmet charged Nico for having his shirt on back to front. Mofo was charged for *Public Display Of Affection*. 49er charged Mofo for showing off and running right to the end of the bridge. The chargees looked happy; Mofo, Juggie, Modnoc, Big Bang and Extractits among them.

2000 RUN: Stroker told us about the up and coming 2000 Run at the Catholic Lodge at the top of the Gillies. The theme will be about horses, so we are to come as a jockey, horses' arse, cowboy, whatever.

JOKE: Moana didn't like Royal T's joke about the Great Gonzo and the talk about an athletic big dick.

NOSH: Juggie excelled himself with the mince and rice, and dessert, just the thing for a rainy night.

P.S. There is a rumour that Moana is called Moana because he is a good listener, and all his fellow Hashers take their problems to him. His lips are sealed.
