## Run 1985 – XTRACTIT's Sumptuous Stroll!

Twas a beautiful evening in the Trinity patch and there was much excitement to gather at XTRACTIT's fine abode ... the GM dove deep into the yearly trivia but ... he mentioned something about Ronald Reagan and I entered into a Trump-like state .... and I have no recollection afterwards... He did make an honourable mention of her excellence the Cairns GM setting a run for the Trinity Pack ... and I also have a memory fragment of the fact that he nominated the redoubtable 49'er for notes ... Must have been too early ... because she forgot!

My limited recall found a stroll through North Cairns that included a trip to Tobruk and up Greenslopes ... and that was it for me ... as I trusted the JUGH-

HEAD to lead me through the run ( BigMistake ... So Big!) as we lost the pack and luckily brother Mofo has recorded the romp with some accuracy below.

The real action started at he on –Home. Nosh of the year for my money! Great food, Great Circle, Great Beers ... **On On Pythagorarse**

**Run 1985 ... A FEAST!!!**

A bloke goes into the doctor's. 'Doc, I've got a cricket ball stuck up my bottom.' 'How's that?' 'Don't you start.'

What do you call fish with no eyes? Fsh.

So I was getting into my car, and this bloke says to me 'Can you give me a lift?' I said 'Sure, you look great, the world's your oyster, go for it..'

Apparently, 1 in 5 people in the world are Chinese. There are 5 people in my family, so it must be one of them. It's either my mum or my Dad, or my older brother Colin, or my younger brother Ho-Cha-Chu. But I think it's Colin.

Two fat blokes in a pub, one says to the other 'Your round.' The other one says 'So are you, you fat bastard!'

Police arrested two kids yesterday, one was drinking battery acid, and the other was eating fireworks. They charged one and let the other one off.

You know, somebody actually complimented me on my driving today. They left a little note on the windscreen. It said, 'Parking Fine.' So that was nice.'

I was in a pub on Saturday night. Had a few drinks..... I noticed two large women by the bar. They both had strong accents so I asked "Hey, are you two ladies from Scotland?" One of them screamed "It's WALES you friggin' IDIOT!" So, I immediately apologized and said "Sorry, are you two whales from Scotland?" That's all I remember.....
