

## Run 1987 – ROYAL T's Birthday Week Run—78 and running strong!

Geez I hate these long commutes to Trinity Hash runs. This weeks run was at Royal T's abode at Pelican Waters on Esplanade, which was a massive 200m walk down the road for me. Anyway I decided for once to do most of the walk and actually made it to the drink stop which was located at the Japanese Chinese gardens in the Botanical gardens. After a quick stroll back home we gathered around in front of the units at Royal T's doing our best to annoy his neighbour.

After a couple of drinks the circle was called by the illustrious GM Flatulence. First up Not Yet gave a run report where he said the highlights were crossing the new bridge on Collins Ave and also getting to hold Tee Pee's hand in the dark. This obviously got him fairly worked up as he gave the run an unusually generous 5/10.

Next the visitors and returned runners were called up. We had one visitor, Crash and Burn from Capital Hash and many returned runners including Nico, Retard, Tee Pee, Crackpot, Kneetrembler, Not Yet and No Knickers and yours truly. One shirt was given by Mistress to Nico, because he was seen wearing no shirt at all on the run. Tiny Tool had no story for giving away the other shirt so he kept it for another week. The raffles were won by Mistress and Pecker. We had a few charges given including for

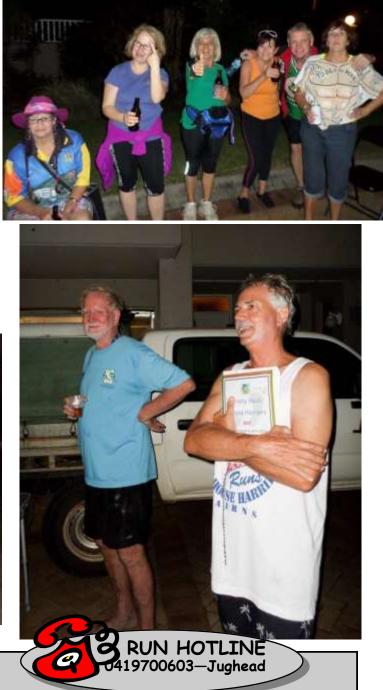

Crash and Burn for using his phone on the run, Nico for already taking the shirt off during the circle (seems he just loves showing off his body). Layback for trying to offer parts of his body to some backpackers, No Knickers and Not Yet for being late to the run and to Moana for just being Moana. The circle had gone so long that nobody had any jokes they could still remember. and we were told about a busv few months ahead with celebrations runs for Townsville, Cairns, Cooktown and

Trinity Hash House Harriers Cairns, North Queensland P.O. Box 2271, Cairns 4870 leaving the best for last the massive Trinity 2000th.

We then enjoyed a great nosh, which had to be dished out prison style to make sure all 27 hashers who turned up got fed, and also some delicious cake for dessert. On on to Call Girls in Toogood Rd for the next run.
