Run 1990 – MOANA’s Masterful Meander

For someone who “doesn’t run hash” it seems like Moana is really running hash ... organizing restaurant runs ... offering the Coral Towers Mansions for much needed Trinity escapades Marking chalk all over North Cairns... Hash Legend!

Back to the real stuff ...

A wander around the streets was promised and delivered and there was the tantalising prospect of a special drink stop ... the pack gathered at Cairns Hospital and Crash Test Dummy was waiting for us and wondering “what took us so long—he was thirsty!” It is always great to meet a hasher who’s hashing spirit lives on despite some tough health challenges. “Crash” brought on a wave of fellowship and hash comradery that culminated in a hymn and a wander back to Moana’s. Some drinks and a circle that took over the esplanade on a cool evening with some well deserved charges To Nostrildummass, Stroker, Gangbang, BigBang, Lesson, Masterbates, etc, etc, —except that I got the shirt from 49’er for some fictional enterprise!

A fantastic night, and the realisation that through trial and error, Moana is learning how to cook and two sumptuous curry dishes were offered that were exceptional in taste! - Has the world gone Crazy! Thanks to the GM, Keg and all other less worthy hashers ...

Deep Thoughts

- If you ever drop your keys into a river of molten lava, let'em go,
- If trees could scream, would we be so cavalier about cutting them
- To me, it's a good idea to always carry two sacks of something when you walk around. That way, if anybody says, "Hey, can you give me a hand?" You can say, "Sorry, got these sacks."
- I hope some animal never bores a hole in my head and lays its eggs in my brain, because later you might think you're having a good idea but it's just eggs hatching.
- If I ever get real rich, I hope I'm not real mean to poor people, like I am now.
- If a kid asks where rain comes from, I think a cute thing to tell him is, "God is crying." And if he asks why God is crying, another cute thing to tell him is, "Probably because of something you did."
- I hope if dogs ever take over the world and they choose a king, they don't just go by size, because I bet there are some Chihuahuas with some good ideas.
