Run 1991—GangBang's Geriatric Gait

No Notes surfaced from the digital ether—but I am sure it was a fantastic night, GangBang is renowned for his expertise in all non-railway tasks. Thanks to Pylon and MOFO for submitting disturbing images of the night ... The over achieving Wiggles was in attendance —I t looked a hoot!

Thanks to the GM, Hare and Keg and all other less worthy hashers ...

Deep Thoughts

Maybe in order to understand mankind we have to look at that word itself. MANKIND. Basically, it's made up of two separate words "mank" and "ind."

If you go flying back through time and you see somebody else flying forward into the future, it's probably best to avoid eye contact.
