Run 1993 – BIG BANG's Virgin Run — 27 June 2017

I scanned my mailbox hourly hoping for a message from NICO ... Trinity hashers ... some improvement required! Oh well ... some of my miserable recollections will have to suffice.

A Virgin run which always adds a bit of a frisson of excitement to the pack ... however, that man MOANA cropped up explain the run ... did the virgin hare Gang Bang subcontract the run? We were sent out into the night and quickly found the cemetery ... it was dark by then and spooks all round. Then a long haul back to Anderson Street and a few checks bought us to a DRINKSTOP. XTRACTIT was doing a little real estate inspection as we inhaled the sherry/lemonade concoction.

The FrontRunners NICO and MOFO zoomed into the night on trail, I got lost on the way home but XTRACTIT and Broken SEAL followed me so that I wouldn't be lonely.

Back to the BIG BANG's house of fun to see that he must have been hanging around the home economics classes to pick up a few ideas—The nosh was pre-prepared and tasty. MOANA took on a/GM duties like putting on one of his favourite cardigans. The run scored a 4 by PYTHAGORARSE. Virgin Song for Sarah and a visitor from Vietnam BROKEN SEAL who will be gracing us with his presence for a while, A welcome back to RETARD. We surprisingly found a few pricks and tools

in the audience and NOANA and GANG BANG were the lucky winners TOP NIGHT and some excellent BBQ NOSH .. Huge Thanks to GANG BANG and KEG and the a/GM

Deep Thoughts

If you get invited to your first orgy, don't just show up nude. That's a common mistake. You have to let nudity "happen."

I hope that after I die, people will say of me: "That guy sure owed me a lot of money."

I wish I had a dollar for every time I spent a dollar, because then, Yahoo!, I'd have all my money back.
