Run 1994 – DV8's Diabolical Dash — 04 July 2017

Just like old times, we completed the same usual Run down through the park and up the Esplanade and the Drink Stop after the bridge (*Ed. Note: You don't have to change good things!*). The Drink Stop was on the beach with only 4-5 crocs. We (*Ed note: NOT we, NICO!*) wanted to use DV8's kids as bait (*This is very dark, NICO!*) but she was dead against it. The walkers actually went 300 metres past the Drink Stop — led by 49er, I believe.

On the way back, TINY TOOL and ROYAL T were seen having their own drink stop at the Pub. Back at the Keg, 49er was regaling us with her Scuba Diving adventures and BROKEN SEAL was showing us why he got his name. Disturbing! 49er was accused of having a few afternoon retirement wines and she launched into a marathon run report that set a world record of 7/ 10. The visitors BOOGA (GM from Townsville) and BLANKS (long suffering spouse of DV8) were welcomed. CALL GIRL got the shirt for abandoning TEEPEE on a toilet break and leaving her to the crocs — So much for Loyalty. MOANA gave the Townsville celebration run 8/10 after calling it "shit".

There were charges to ROYAL T, TINY TOOL, SPREADEM, TEEPEE, BROKEN SEAL AND MOANA for offensive and reprehensible reasons. The police have reserved the right to lay charges themselves later. BLANKS, ROYAL T and BOOGA told some great jokes. NOSH was great ... Yum Yum!. Huge Thanks to DV8 and BLANKS .

... **On On NICO**

Enough with the short jokes ... I am just more evolved than you!

This is serious!

Be Careful ... I might start laughing!

Deep Thoughts

Most of the time it was probably real bad being stuck down in a dungeon. But some days, when there was a bad storm outside, you'd look out your little window and think, "Boy, I'm glad I'm not out in that."

During the Middle Ages, probably one of the biggest mistakes was not putting on your armour because you were "just going down to the corner."
