49er's Irate Run

Irate; adjective - feeling or characterized by great anger. Synonyms – angry, very angry, furious, infuriated, incensed, enraged, incandescent, fuming, seething, ireful, cross mad.

We weren't but we certainly made someone else that way!! The most exciting, eventful run of the year, you had to be there – I think we are going to have to make up a new award for this one.

But enough of that, it was a good walk Bayview Heights lived up to its name and we went up and down hills, round corners and we did need a torch! 49er was testing to see who of us eats more carrots and could see in the dark. After a long run – and almost at the drink stop 49er sent the runners on much further to the highway, she really wanted them to earn their drinks.

A good run/walk was had by all. Back in the park the signature fondue was prepared camp style – very ingenious and we all tucked in.

The circle commenced the usual events occurred. 5/10

for the run. Moana won the raffle, no shirts were forthcoming. Charges were given to Slapper, Broken Seal, Nikko, Royal T, 49er, Mofo and Pylon. 49er particularly for no fire at the BBQ and her hieroglyphic marks on the run. Others were charged for not understanding them!!

Royal T regaled us with 49er's horrendous week with it being a surprise she was there at the run with her and her car having experienced a very unusual journey to and from Normanton.

It's only 5 weeks until our 2000th so please let the Committee know if you are attending.

It has come to a general consensus that notes are not read by many and only photos and future runs are required so unless someone wants to do notes particularly on the night, this will be the final Trinity Hash Notes in written form.

A call out to all Hashers who are interested in supporting the club for its 2000th Run please let the Committee know if you are attending as the numbers are down for this event.
